CHIRAG MALIK

UI/UX Designer

PROFILE

As a UI/UX designer with 4+ years of experience and a notable technical know-how acquired through a short stint in development, I am confident in my ability to craft exceptional digital experiences. My passion for creating user-centric solutions drives me to excel in designing interfaces that seamlessly bridge the gap between functionality and aesthetics.

WORK EXPERIENCE

Sr. UI - UX Designer
Webkul Pvt. Ltd. | Noida
Sept 2020 – Present

Over the past few years at Webkul, I have consistently delivered intuitive and visually appealing designs for both customer-facing and enterprise software, specialising in eCommerce, CRM solutions and POS systems.

UI Designer
StarClinch | Delhi
Aug 2019 – Aug 2020

StarClinch is India's biggest live artist discovery platform. I designed the dashboards (mobile and web) for users (artists) to track their gigs, income and public profiles.

Android Development Intern
Emilence | Mohali
Aug 2019 – May 2019

Joined as an intern during the 8th semester. Worked on two independent projects during the internship, and one with my mentor
